Running the Reflection...

- Step 1. Make sure everybody is sitting comfortably and can easily hear the music.

 You can invite members of the group to close their eyes if they wish to solely focus on the music.
- Step 2. Invite members to write down any thoughts, ideas, shapes, colours or images that come into their heads while each track is playing.

 What does each track make them think of? No idea is too abstract!
- Step 3. Play consecutively tracks 1, 4, 5, 6, 7, 8 and 9 (total running time, approx. 35 minutes).

 Don't stop for pauses in between the tracks.
- **Step 4.** If appropriate, allow 2-3 minutes of silence after the music has finished playing for the group to collect their thoughts.
- **Step 5.** Share with one another track by track the thoughts they have written down. For larger groups, split first into smaller groups and then share.
